Did you see our Snow scene that was waiting for us on Monday?

Head Teacher's Welcome

Welcome to your final newsletter of 2021! Where has the year gone?

Way back in January we tackled yet another lockdown, but I am pleased that we have since been able to get lots of things back on track - in school at least! Today marked the day of our first live Christmas performance in two years - a huge well done to Year 5 for putting a festive smile on everyone's face! I can't wait to see more performances over the coming two weeks.

As well as a final reminder over the page about the many Christmas activities taking place over the coming weeks, I have also tried to put some longer-term information ready for 2022, so please read over this at your leisure.

You'll also see some information about the Christmas messages your children will be receiving each day which you can watch too on our YouTube Channel!

On behalf of all the staff here at Crescent, I would like to wish you the most amazing Christmas break and I hope you see 2022 in with many happy memories! Merry Christmas and Happy New Year to all our families!

Adam Clewes

Reminder! Next week if the final week of After School Clubs, no clubs from December 13th to 17th!

www.thecrescentacademy.com

Tuesday March 1st
Parents' Evening

Wednesday March 2nd
Parents' Evening

Restrictions from December 1st 2021!

I'm sure you have seen over the weekend that there are a number of restrictions which have come into effect to slow the spread of COVID, in particular, the new variant.

It is no secret that cases are on the rise and this is certainly true of what we have seen in school. We continue to work closely with Public Health and follow their instructions. However, the following restrictions will be implemented in school with immediate effect:

-If you wish to speak to a member of staff, please wear a face mask
-When you come into the school office, please wear a face mask
-We have been told to limit the number of visitors to school, so for this reason, our toilet facilities are now closed, please don't be offended that we can't let you in to use them
-There's no requirement for a face covering outside, but all staff will be wearing them, so feel free to wear yours too.

Following these rules will hopefully keep us going, keep school open, and keep the Christmas performances an event we can all enjoy!
