Educational Visits

2026-2027

All day visits are free of charge!

Where are you going to this year?

Get ready for more adventure than ever this year!

The reason we go on so many visits is so that children have experiences that they can then build upon in their learning back at school. It sets their imagination wild, brings practical skills to life and even helps them to think about what they want to be when they grow up!

For this reason, we don't believe money should be a barrier to this, and so all day visits are FREE!

Not only that, but we ask for a very minimal contribution for overnight visits as follows:

Year 2 School Sleepover: £10
Year 3 one night residential to Llandudno: £35
Year 4 one night residential to London, including Harry Potter World: £40
Year 5 one night residential to York: £35
Year 6 four night residential to Cornwall: £65

Optional 4 night visit to Paris, including Disneyland: £350 (Available for Years 4 to 5)

As well as what is in the brochure, as the year progresses, many children will go out to participate in Sports Events and additional opportunities such as Young Voices and Dance shows!

This can all be paid by cash/card at the office or through your ParentPay account.

After great success last year: When children return from their residentials, you're invited along to a Sharing Assembly, so you can hear all about what they have been up to whilst away from home!

The Crescent Academy

Nursery
Autumn 2

What an exciting lead up to Christmas for our Nursery children – an opportunity to watch a classic film in our very special cinema room and have a visit from Santa at the same time!

What better way to get into the festive spirit than wearing a little tinsel and watching Stick Man, which links to their learning at this very special time of year?

Nursery
Autumn 2

This Christmas, the nursery children will leave the ordinary behind and embark on an unforgettable adventure to the North Pole! At the National Forest Adventure Farm in Burton-on-Trent, the magic of Christmas comes alive with twinkling lights, festive surprises, enchanting characters and plenty of opportunities to make memories that will last a lifetime.

LONGTON PARK

Nursery

Spring 1

From an early age, exploring our local area can be so much fun! For this visit, we are staying local and going to visit Longton Park!

Children will be able to see what wildlife they can spot and will enjoy the open space of the park. There will be plenty of time for a game of duck-duck-goose and a chance to develop their gross motor skills too!

It will give children the opportunity to delve into their learning about seasons by collecting leaves and using their senses to describe what they can see, hear, smell and touch!

Bobby's Ice Cream Farm

NURSERY SPRING 1

Our Nursery children are off on a deliciously exciting adventure to Bobby's Ice Cream Farm! The children will have the opportunity to explore the farm, meet and learn about the animals, and discover where some of our food comes from. Of course, no visit would be complete without enjoying a delicious Bobby's ice cream! It promises to be a fun-filled day of exploration, discovery and plenty of smiles!

Nursery
Spring 2

This magical story-themed play experience gives children the opportunity to explore, imagine and create as they step into a world inspired by the characters and settings they know and love.

Children can immerse themselves in imaginative role play, explore themed areas, develop their communication and language skills and let their creativity run wild. From becoming their favourite storybook characters to creating their own adventures, every corner provides an opportunity for learning through play.

Meir Library

A visit to Meir library will provide a wonderful opportunity for our nursery children to explore the world of books! Children will enjoy listening to stories, browsing the library shelves and discovering new books, while developing their love of reading, communication and language skills.

Nursery
Spring 2

Nursery
summer 2

An unforgettable school trip where children will come face to face and encounter some incredible animals from around the world! The children will get to 'Walk on the Wildside' with the lemurs, wallabies, red squirrels and goats to name a few!

Heath House Garden Centre

Reception

Autumn I

Step into a world of growing, gardening and discovery! Our Reception children will explore the plants and flowers at Heath House Garden Centre before getting hands-on with planting their own seeds. Inspired by Jack and the Beanstalk, children will plant their very own beans and discover what plants need to grow, making magical connections between stories and the natural world.

Reception - Autumn 2

OH HELP! OH NO! IT'S A GRUFFA....LO

THE GRUFFALO ISN'T THE ONLY ONE OF JULIA DONALDSON'S ANIMALS YOU'LL BE SEARCHING FOR ON THIS WOODLAND ADVENTURE!

THERE'S MOUSE, SNAKE AND MAYBE EVEN FOX AND OWL TOO! ONE THING IS FOR SURE, CHILDREN WILL LOVE MAKING THEIR WAY THROUGH THE PATHS, CRUNCHING ON THE LEAVES AND SEEING ONE OF THEIR FAVOURITE STORIES COME TO LIFE AS THEY TAKE ON THE GRUFFALO TRAIL!

Come Celebrate Christmas with
Reception in Autumn 2

HO HO HO!

It is time not only to see the main man himself, Father Christmas, but to have a good breakfast all at the same time!

Children will travel to the Toby Carvery with their friends and be able to have a full cooked breakfast. Teachers no doubt will be having one alongside them too!

From here, they will meet Santa and his Elf so that they can share what they want for Christmas and make sure they are on the good list.

A Christmas treat for everyone!

ALL ABOARD FOR

RECEPTION'S TRAIN JOURNEY

DEPARTING FROM BLYTHE BRIDGE TO STOKE-ON-TRENT

CHILDREN GET THEIR FIRST EXPERIENCE OF TRAVELLING BY TRAIN - LINKED TO OUR LEARNING ABOUT JOURNEYS

Local Bus Tour

Reception Spring 1

Hop aboard the bus and let the adventure begin! Our Reception children will explore their local area, spotting familiar places, landmarks and interesting sights along the way. This exciting journey helps children develop their understanding of the world around them, build confidence using public transport and discover more about the community they call home.

CBeebies Land at Alton Towers

Reception

Spring 2

Children love nothing more than to talk about what they have watched on television, or their favourite character, or programme which they may have watched. We have taken what children love and created a whole topic around it! Doing this in a child's Reception class gives an opportunity for learning to be centred around something which children are enthusiastic about and know lots about!

Who wouldn't love using Greendale Cottage as a starting point for writing a story? By visiting CBeebies Land at the Alton Towers Resort, children are able to imagine they are part of their favourite TV programme, take on the role of their favourite character, explore worlds they never-thought they could and of course, go on some rides which are just right for their age and size! The range of experiences children are able to draw on from this visit are endless. Especially if your child is new to our Reception classes. Where better to make a lifelong friend than accompanying them on the Postman Pat Ride at Alton Towers?

Children could ride on or experience...

- Vroomster Zoom Ride
- Octonauts Rollercoaster Adventure
- In the Night Garden Magical Boat Ride
- Justin's House Pie-o-Matic Factory

A visit to our Local Church

Our Reception children will enjoy a special visit to a local Christian church, where they can explore the building, discover its features and learn about how it is used by the community. Through stories, discussion and exploration, children will begin to understand Christian traditions, celebrations and the importance of places of worship.

Reception

Spring 2

Reception - Summer 1

Rent A Beast

Let's bring learning to life!

Rent a beast does exactly this, it gives children the opportunity to meet all kinds of mini beasts and listen to experts talk about a variety of invertebrates . If their brave enough, they could even hold one or two!!

Pond Dipping

PARK HALL

RECEPTION SUMMER 1

Get ready to get muddy and discover what's hiding beneath the water! Our children will enjoy an exciting pond-dipping adventure at Park Hall, searching for minibeasts, pond creatures and signs of life. This hands-on experience brings learning to life as children explore nature, investigate the local environment and discover the wonderful world beneath the surface!

New Brighton Beach

Reception - Summer 2

What better way to explore the topic of Holidays than a trip to the seaside itself! A fun filled day at the beach awaits our Reception children where they will get to have fun paddling in the sea, building sandcastles with their friends and enjoy a picnic and ice cream treat! We may even spot a pirate ship or a mermaid or two!

Year 1
Topic 1

Apple Tree Town

Let imaginations run wild at Apple Tree Town! Our Year 1 children will explore a miniature world of exciting role-play, taking on different real-life jobs and discovering a variety of community settings. Through imaginative, hands-on play, children will develop their confidence and communication skills while learning the importance of sharing, taking turns, working together and considering others.

Snow White at the Regent Theatre

Year 1 Topic 2

A magical trip to the theatre! Our Year 1 children will visit the Regent Theatre to enjoy a spectacular performance of Snow White. With colourful characters, music, laughter and plenty of fairy-tale magic, children will experience the excitement of live theatre while bringing a much-loved story to life.

Synagogue Visit

Year 1 Topic 2

Our Year 1 children will visit a local synagogue to bring their learning about the Jewish faith to life. They will explore this special place of worship, discover more about Jewish traditions and celebrations, and have the opportunity to ask questions and deepen their understanding of the beliefs and practices of the Jewish community.

Year 1
Topic 3

Trentham Monkey Forest

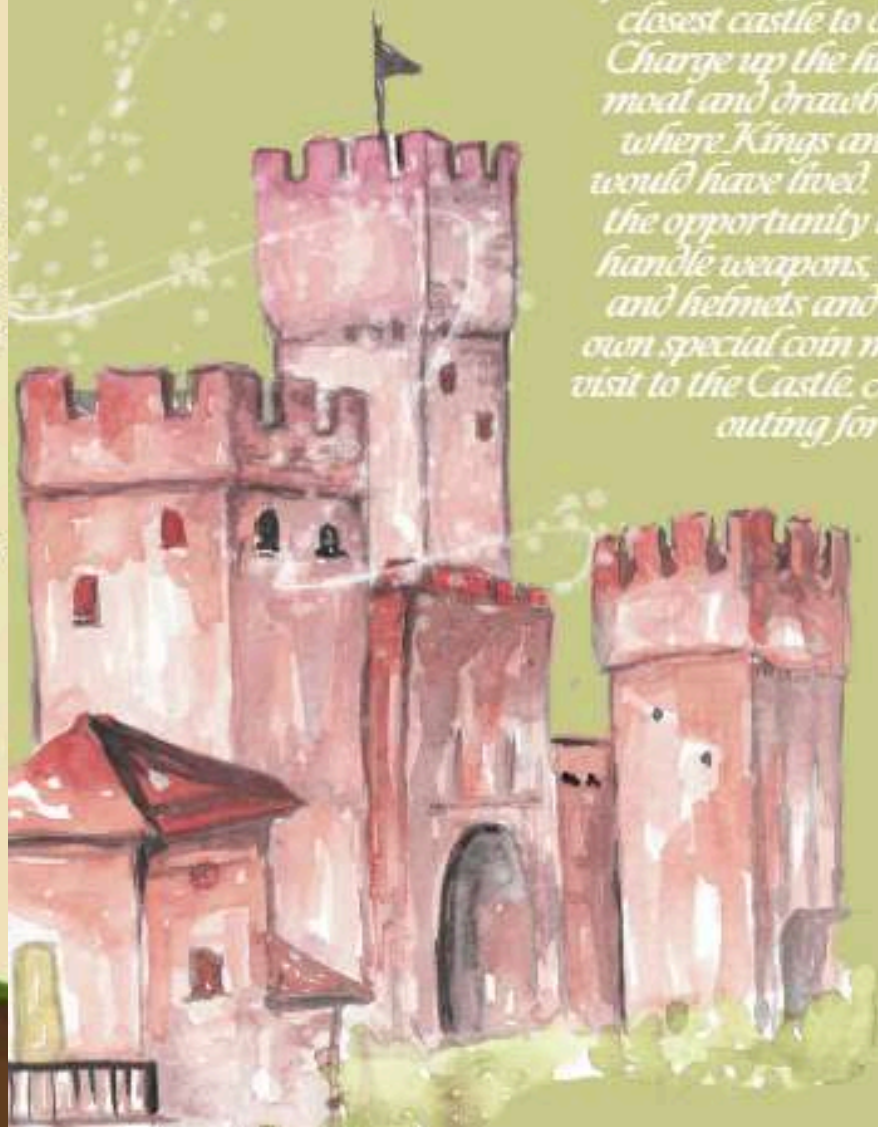

Monkey Forest is the perfect location to discover an animal we don't see in the local area! It's a great way to get outdoors, learn and have fun. Ever wondered what it's like to walk through a forest full of free roaming monkeys on a school day? What could a lesson be like, when a monkey is walking along the same path as you? Find the answers to these questions, along with many more during the visit to The Monkey Forest. Science, English and Geography are brought to life when children are guided through the forest with lots of fun and interactive activities. Whatever the weather, the monkeys at Monkey Forest are always on hand to help make this visit one to remember!

Year 1 - Topic 4

Stafford Castle

What would it be like to be a knight for a day? Find out on this exciting journey into the past at Stafford Castle. The closest castle to our school. Charge up the hill, over the moat and drawbridge to see where Kings and Queens would have lived. We will get the opportunity to look and handle weapons, chain mail and helmets and create our own special coin marking our visit to the Castle. An amazing outing for all!

TUBING
Stoke Ski Centre

Year 1 Topic 4

Get ready for an action-packed adventure! Our children will head to Stoke Ski Centre for an exciting tubing experience, racing down the slopes and enjoying plenty of laughter along the way. This thrilling visit encourages children to build confidence, try something new and challenge themselves while having an unforgettable day of fun!

Year 2
Topic 1

TANGLEWOOD

YEAR 2 WILL BECOME OUTDOOR EXPLORERS, VENTURING OUT TO CANNOCK CHASE AND VISITING THE TANGLEWOOD CENTRE. WHILST HERE, THE CHILDREN WILL COMPLETE WORKSHOPS ABOUT HABITATS AND THE CHANGING SEASONS AROUND US.

Fire Engine Visit

Year 2 Topic 2

We are bringing learning to life with an exciting visit from our local fire brigade! Children will have the chance to explore a real fire engine, discover the equipment firefighters use and learn how they help to keep our community safe. They'll also have the opportunity to have a go at using the fire hose, making this an unforgettable, hands-on learning experience!

Snow White at the Regent Theatre

Year 2 Topic 2

A magical trip to the theatre! Our Year 2 children will visit the Regent Theatre to enjoy a spectacular performance of Snow White. With colourful characters, music, laughter and plenty of fairy-tale magic, children will experience the excitement of live theatre while bringing a much-loved story to life.

Year 2 School Sleepover!

An unforgettable adventure without leaving school! Our Year 2 children will enjoy a special school sleepover packed with games, stories, activities and plenty of fun with their friends. It's a fantastic opportunity to build confidence, independence and resilience, while creating wonderful memories and experiencing the excitement of a night away from home.

£10 contribution

MANCHESTER AIRPORT/ CROSBY BEACH

YEAR 2 TOPIC 4

Located off the main airport site children get to do the following:

· View modern aircraft landing and taking off–including the super-jumbo A380 which brings a large gust of wind with every take off and landing! (Depends on the flight schedule)

· Take part in a workshop on board a former Monarch Airlines aeroplane: children get to have their passports stamped (provided), take on the roles of different people on the aeroplane and this includes fully costume to dress up in!

· Go on-board some retired aircraft to see what air travel was like in the past and is like now

· Get to see the supersonic British Airways jet: Concorde!

· Put on a captain's hat and sit in the flight deck of a former aeroplane and pretend they are flying somewhere exotic!

Of course, we make sure there's time for a play on the adventure playground and a picnic lunch too!

This topic has the added offer of a trip to Crosby Beach – ice cream included!

Tanglewood Cannock Chase

Academy of Stars KS1 Topic 1

Academy of stars KS1 children will be off on an adventure to explore the woodland at Tanglewood, Cannock Chase, bringing their learning about habitats to life. They will discover the plants, animals and minibeasts that live in the woodland and explore what different living things need to survive. Through hands-on, sensory experiences, children will develop their understanding of the natural world while building confidence, communication and independence.

Fire Engine Visit

Academy of Stars KS! Topic 2

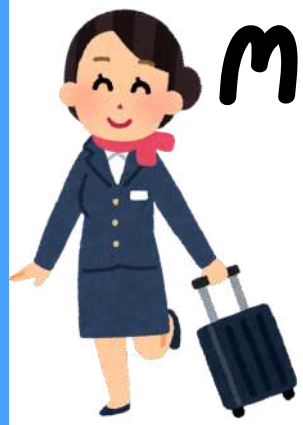

We are bringing learning to life with an exciting visit from our local fire brigade! Children will have the chance to explore a real fire engine, discover the equipment firefighters use and learn how they help to keep our community safe. They'll also have the opportunity to have a go at using the fire hose, making this an unforgettable, hands-on learning experience!

Dovedale Stepping Stones

Academy of Stars KS1
Topic 3

Dovedale is the perfect backdrop to learn more about this topic! Children will discover the differences in nature and how the natural world is so vast. At Dovedale, our Academy of Stars will tackle the iconic stepping stones, have a picnic and enjoy a spot of pond dipping.

MANCHESTER AIRPORT

Academy of Stars KS1
Topic 4

Located off the main airport site children get to do the following:

· View modern aircraft landing and taking off–including the super-jumbo A380 which brings a large gust of wind with every take off and landing! (Depends on the flight schedule)

· Take part in a workshop on board a former Monarch Airlines aeroplane: children get to have their passports stamped (provided), take on the roles of different people on the aeroplane and this includes fully costume to dress up in!

· Go on-board some retired aircraft to see what air travel was like in the past and is like now

· Get to see the supersonic British Airways jet: Concorde!

· Put on a captain's hat and sit in the flight deck of a former aeroplane and pretend they are flying somewhere exotic!

Of course, we make sure there's time for a play on the adventure playground and a picnic lunch too!

STONE AGE

Experience Day

Travel back in time and step into the world of the Stone Age! Our immersive experience day gives Year 3 children the chance to become Stone Age people for the day, exploring Stone Age art, bushcraft and hunting skills. Children will get hands-on with life in the past, developing teamwork, resilience and practical skills along the way. For an extra dose of adventure, our orienteering challenge will put their navigation skills to the test as they explore, discover and learn!

Year 3
Topic 1

Ice Skating

Year 3 Topic 1

Get ready to glide, spin and have fun on the ice! Our exciting trip to Telford Ice Rink gives children the chance to experience the thrill of ice skating in a safe and supportive environment. Whether they are skating for the first time or already confident on the ice, children will develop balance, coordination, confidence and resilience while enjoying an unforgettable active adventure!

Year 3
Topic 2

For this topic, our Love of Reading book is 'Charlie and the Chocolate Factory' so there is no better way to immerse ourselves into this text than visiting Cadbury World in Birmingham. It will also support learning in Geography as we will take part in a 'Bean to Bar' tour. Whilst we are there we get to taste lots of chocolate and bring home samples!

Snow White at the Regent Theatre

Year 3 Topic 2

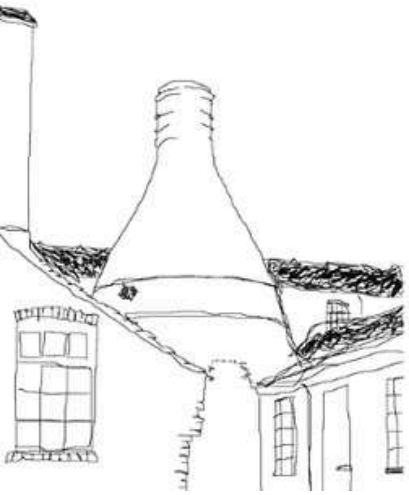

A magical trip to the theatre! Our Year 3 children will visit the Regent Theatre to enjoy a spectacular performance of Snow White. With colourful characters, music, laughter and plenty of fairy-tale magic, children will experience the excitement of live theatre while bringing a much-loved story to life.

Year 3

Topic 3

Tour of Stoke-on-Trent and Visit to Middleport Pottery

As part of our history topic 'How Stoke has changed' we start off by delving in to what WE are famous for - pottery - by visiting Middleport Pottery. This has been the home of Burleigh Pottery since 1889 which means the children will get a real sense of Stoke-on-Trent's celebrated history. This visit involves a factory tour, enjoying a clay workshop and being taken on a heritage trail looking at the bottle kilns and Victorian offices. On top of this, we take a trip to two sites in our local area to see first-hand how these sites have changed over time.

Church Visit

Step inside a local church and bring learning about Christianity to life! During this engaging visit, children will deepen their understanding of the Trinity - God the Father, Son and Holy Spirit - and explore what it means to follow God as a Christian. Through exploring the church, asking questions and hearing about the experiences of members of the congregation, children will make meaningful connections between their classroom learning and real-life Christian faith.

Year 3, Topic 3

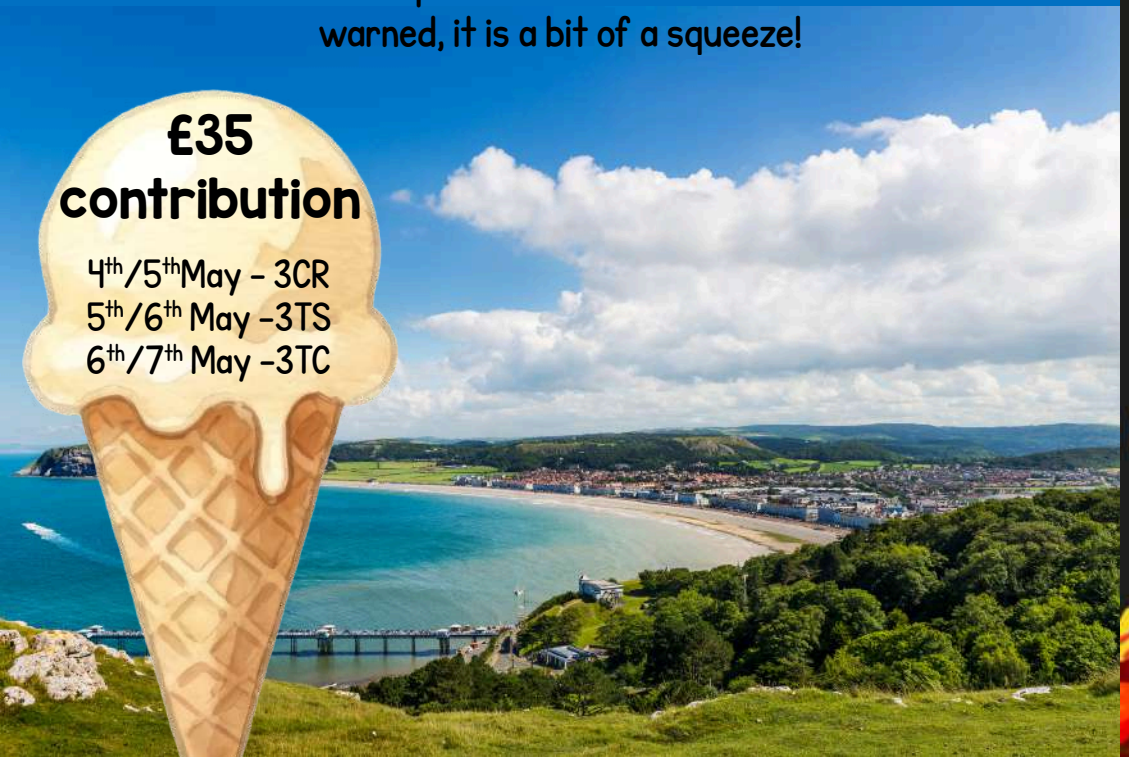

Llandudno Residential Visit

Year 3 – Topic 4

Our final trip of the year involves enjoying a fun-filled day out at Llandudno – centred around the beach! A tram ride to the summit of the Great Orme will give the children spectacular views. The children will learn about the coasts of the British Isles and consider the advantages and disadvantages of living by the coast. During our visit to the Great Orme mines, children will consider how Britain's coasts have changed over time.

But most importantly, children will make memories with their friends at the beach!

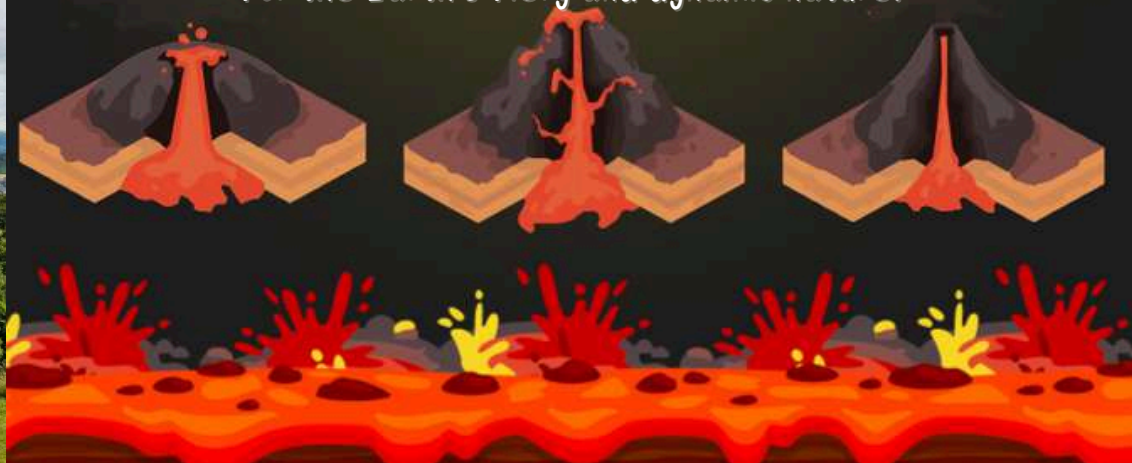

On day 2, children will travel by train to Conway where they will be able to step inside Britain's smallest house – be warned, it is a bit of a squeeze!

VOLCANO VR EXPERIENCE

YEAR 4 TOPIC 1

Year 4 will visit one of Earth's phoenomenonA.. virtually! an exciting and educational adventure for any child. They'll be greeted by the sights and sounds of volcanoes, sparking their curiosity and imagination. The Virtual Reality's interactive experience will let them touch and feel volcanic rocks, giving them a hands-on experience with Earth's powerful forces. They might even see a volcano erupting, which will be both thrilling and educational as they learn how these incredible phenomena work. The VR Experience will offer informative images and videos that transport them to volcanic landscapes, making them feel like they're right there exploring. The children will finish their session with a newfound fascination for the Earth's fiery and dynamic nature.

Hindu Temple Visit

Step inside a local Hindu temple and discover what it means to be a Hindu in Britain today. Children will explore the temple, learn about Hindu beliefs, worship and traditions, and hear about how Hindu families and communities practise their faith in modern British society. This enriching visit brings classroom learning to life, helping children to understand how faith, culture and everyday life can be connected.

Year 4
Topic 1

YEAR 4 TOPIC 2

LIVERPOOL WORLD MUSEUM

Children will be taken on a journey through 5000 years of human life in the Nile Valley. Whether it's learning about ancient burial practices, exploring Egypt's relationship with other civilisations, or reading spells from the Book of the Dead, the gallery will give THEM a flavour of what it was like to live in Ancient Egypt. The exhibition tells the story of Liverpool's connections with excavations carried out in Egypt and Sudan, and how thousands of artefacts became part of the World Museum collection. Around every corner there lurks a new and fascinating piece of History to explore and learn from but be careful not to wonder off as there are mummies living here! Having visited the museum, we will also have time to walk around Liverpool and take in the sights and sounds of the city.

The Borrowers
New Vic Theatre

Year 4 Topic 2

Step into the magical world of The Borrowers at the New Vic Theatre! Children will be captivated as the much-loved story comes to life on stage, following the tiny Borrower family as they navigate a world far bigger than themselves. An exciting and memorable theatre experience, perfect for sparking imaginations, inspiring creativity and bringing storytelling to life beyond the classroom.

DEWA MUSEUM, CHESTER

YEAR 4 . TOPIC 3

Where better to visit (apart from Rome!) than the historic town of Chester as we delve into Roman Britain as part of our next History unit. Could a Roman have lived where I live now? We will find out the answer as we start our journey in the dark hold of a Roman Galley, facing dangers as we travel near to the edge of the known world. We will be immersed in the sights, sounds and smells of Roman Britain and the fortress that was once home to the Twentieth Legion, 5,000 vicious and brave men. We will also visit the award winning 'hands-on' room where we will explore a variety of activities from trying on Roman armour to creating a mosaic to firing a catapult! This fully immersive trip will be both fascinating and thrilling and bring Roman Britain back to life.

London & Harry Potter World

What we'll be doing in the capital...

Taking a flight on the London Eye. Visiting Shrek's adventure, going on a walking tour through the heart of the city to see Big Ben, The House of Parliament, Downing Street, Trafalgar Square, Buckingham Palace.

After an overnight stay, on Day 2 we will be visiting Harry Potter World, having read the first book this year and Book 2 in Year 5 awaits - this behind the scenes tour will really let you step into the magic!

RIVER BLITHE VISIT

Taking learning beyond the classroom with an exciting fieldwork visit to the River Blithe! Linked to the enquiry question "Why are rivers important to us?", children will have the opportunity to explore the river and identify its key physical features first-hand. Through observation and practical activities, they will investigate the role rivers play in our landscapes and communities, bringing their geography learning to life!

YEAR 4 TOPIC 4

Canoeing at Stanley Head

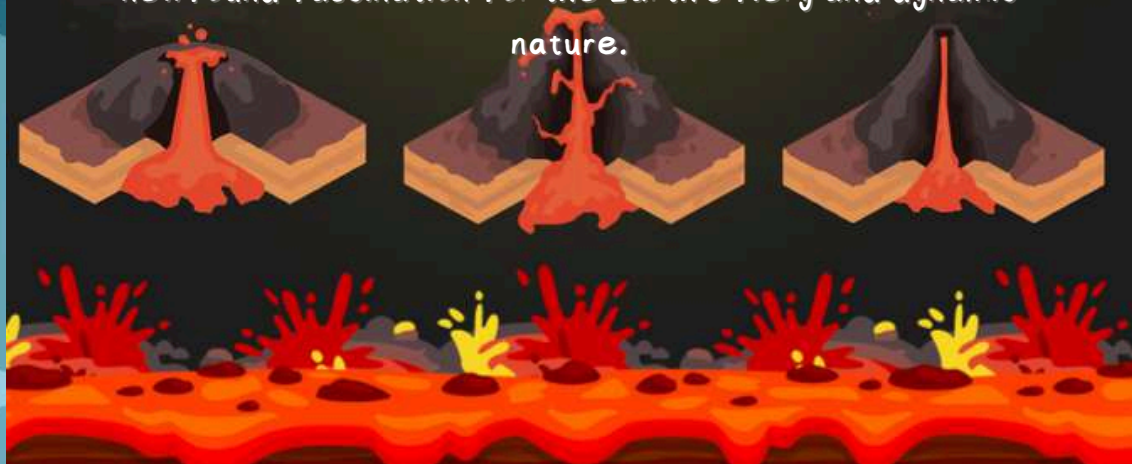

YEAR 4 TOPIC 4

Get ready for an exciting day on the water at Stanley Head Outdoor Education Centre! Children will take to the lake for a fun and adventurous canoeing experience, developing teamwork, communication and resilience as they work together to navigate the water. A fantastic recreational activity that encourages children to step outside their comfort zone, build confidence and enjoy the great outdoors!

VOLCANO VR EXPERIENCE

ACADEMY OF STARS KS2 TOPIC 1

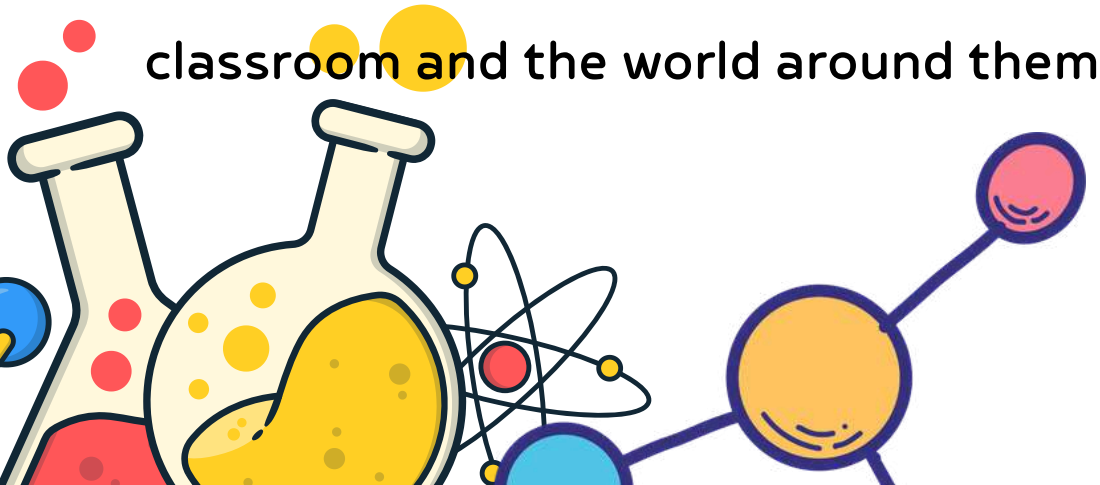

Academy of Stars will visit one of Earth's phoenomenona.. virtually! an exciting and educational adventure for any child. They'll be greeted by the sights and sounds of volcanoes, sparking their curiosity and imagination. The Virtual Reality's interactive experience will let them touch and feel volcanic rocks, giving them a hands-on experience with Earth's powerful forces. They might even see a volcano erupting, which will be both thrilling and educational as they learn how these incredible phenomena work. The VR Experience will offer informative images and videos that transport them to volcanic landscapes, making them feel like they're right there exploring. The children will finish their session with a newfound fascination for the Earth's fiery and dynamic nature.

thinktank
Birmingham science museum

ACADEMY OF STARS KS2 - TOPIC 2

Children will explore fascinating hands-on exhibits linked to their learning in Science With plenty of opportunities to investigate, experiment and discover, this action-packed visit will inspire curiosity and help children make meaningful connections between science in the classroom and the world around them.

Potteries Museum

Step back in time at the Potteries Museum & Art Gallery and uncover the story of Roman Britain! Linked to the enquiry "Did a Roman live where I live now, and were they good or bad for Britain?", children will explore fascinating Roman artefacts and discover what life was like in our local area during Roman times. An exciting opportunity to investigate evidence from the past, helping children decide for themselves whether the Romans were good or bad for Britain!

ACADEMY OF STARS KS2 - TOPIC 3

CHESTER ZOO

ACADEMY OF STARS
KS2 – TOPIC 4

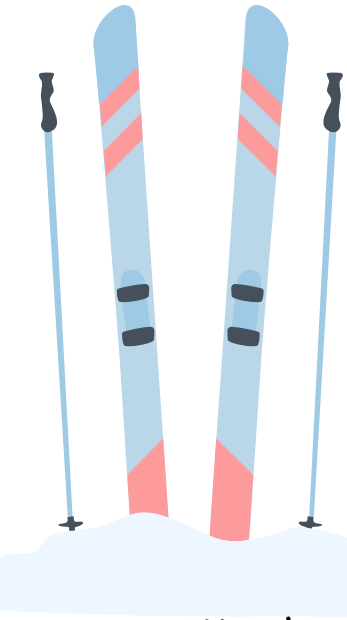

Follow in the footsteps of The Zebra's Great Escape with an exciting visit to Chester Zoo! Children will discover an amazing range of animals and explore habitats from around the world, making connections with the characters and themes from their Love of Reading text. A memorable day packed with adventure, discovery and opportunities to deepen children's understanding of the natural world.

Hiking in The Roaches

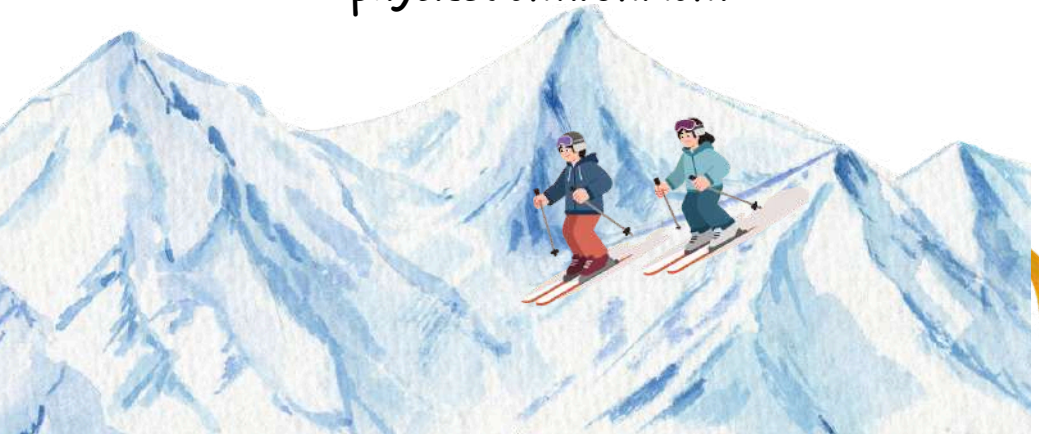

Year 5 Topic 1

To immerse with our Geography topic, which will focus on the impact of tourism in the Alps, we will ascend The Roaches to enjoy the spectacular, panoramic views of our locality. While we hike the area, we will soak in the sights with a delicious cup of hot-chocolate! Finally, we will participate in fieldwork study to explore how tourism and land-use depends on (and affects) our natural environment.

Skiing at the Ski Centre

Hit the slopes at Stoke Ski Centre and experience the excitement of ski ing! Children will have the opportunity to imagine what it is like to ski in the Alps, while developing their understanding of how mountainous regions are used for recreation and tourism. A fun and active experience that encourages children to explore the links between people, places and the physical environment

The Borrowers New Vic Theatre

Year 5 Topic 2

Step into the magical world of The Borrowers at the New Vic Theatre! Children will be captivated as the much-loved story comes to life on stage, following the tiny Borrower family as they navigate a world far bigger than themselves. An exciting and memorable theatre experience, perfect for sparking imaginations, inspiring creativity and bringing storytelling to life beyond the classroom.

YORK RESIDENTIAL

YEAR 5 TOPIC 2

Let's transport back in time to the 700s! With a focus on the Vikings, where better to visit that the fascinating city of York?! The children will experience the sights of this wonderful city and learn all about its deep historical links to the Vikings and beyond.

This visit will be an over-night stay, meaning the children will have plenty of time to explore the sights and take in all that this wonderful city has to offer, alongside a visit to the home of Viking York - the Jorvik Centre - to learn all about the Vikings! Children will also visit the York Dig, walk the city's walls and even have chance for a spot of golf at 'Hole in the Wand' - our love of Harry Potter Magic continues!

£35 contribution

Y5JB January 11th / 12th

Y5TR January 12th / 13th

Y5JF January 14th / 15th

Amazon Warehouse

YEAR 5 TOPIC 3

By the time children are in Year 5, they develop a real curiosity about where EVERYTHING around them comes from. From clothing to different food products, Amazon has it all, but where does it come from?

With a focus on Fair Trade, children step behind the scenes at a retailer we have all come to rely on to discover where things really do come from before they make it into their kitchen cupboards, wardrobes or anywhere around the house for that matter!

The children are sure to be more cautious shoppers after this visit!

YEAR 5

Topic 4

Year 5 will be visiting the Imperial War Museum in Manchester. It's like stepping into history's pages, where stories of bravery and sacrifice come alive. As the children are walking through the vast exhibition halls, it will feel like embarking on a time-travel adventure. The sight of real warplanes and tanks is both awe-inspiring and humbling, making them realise the magnitude of what people endured. Interactive displays let us hear the voices and see the faces of those who lived through those times, making history feel personal and relatable. It's an experience that leaves a lasting impression, reminding the children of the importance of peace and unity in our world today.

£65 Contribution

Welcome to CORNWALL

After it being such a success last year, Year 6 will be back off to the beautiful Cornish coast! This year , the children will be staying for an extra night, making this a 4 night visit! Where better to learn about the Rainforest than a visit to the Eden Project?

As well as visiting this, children will make their was across a natural Causeway to St Michael's Mount, visit Lands End, enjoy fish and chips in the harbour and will even take a dip and learn how a Geothermic pool works. Let's not forget, with some of the UK's most scenic coastline on our doorstep during our stay - chance to play on gorgeous beaches!

Year 6 Topic 1

20th - 24th September - 6RM & ½ 6HB

27th - 1st October - 6AR & ½ 6HB

YEAR 6

TOPIC 2

WHAT BETTER WAY TO REALLY UNDERSTAND THE UPHEAVAL OF THE WORLD WAR THAN TO RELIVE SOME OF THE HARDEST EXPERIENCES FIRST HAND. THE CHILDREN WILL EXPERIENCE WHAT LIFE WAS REALLY LIKE AS AN EVACUEE AS THEY HEAD TO THE BRAMPTON MUSEUM.

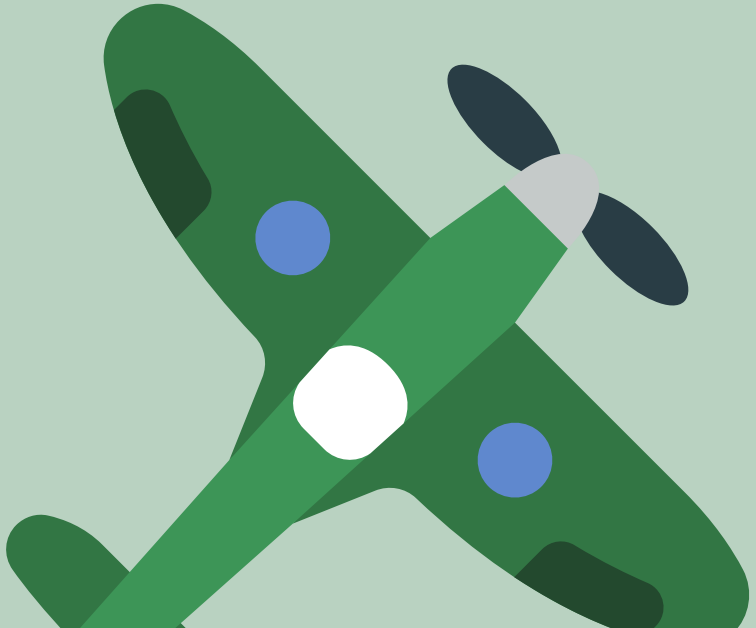

THEY'LL SEE REAL LIFE ARTIFACTS AND LEARN HOW LIFE COULD HAVE BEEN SO VERY DIFFERENT - FURTHER BUILDING UPON THEIR WARTIME KNOWLEDGE FROM YEAR 5.

YEAR 6
TOPIC 2

Hanley Museum

Discover the local story of World War Two with a visit to Hanley Museum to see the iconic Spitfire up close. Following their classroom learning about the aircraft's vital role during the war, children will explore its significance and consider the impact of World War Two on Stoke-on-Trent and its local communities. A powerful opportunity to connect national history with the people, places and stories of their own local area.

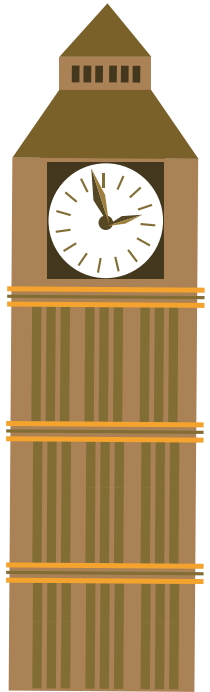

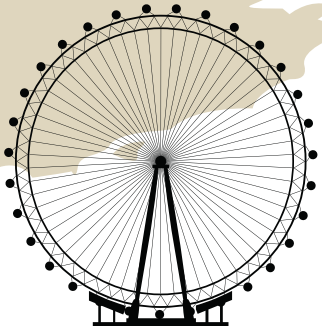

YEAR 6

TOPIC 3

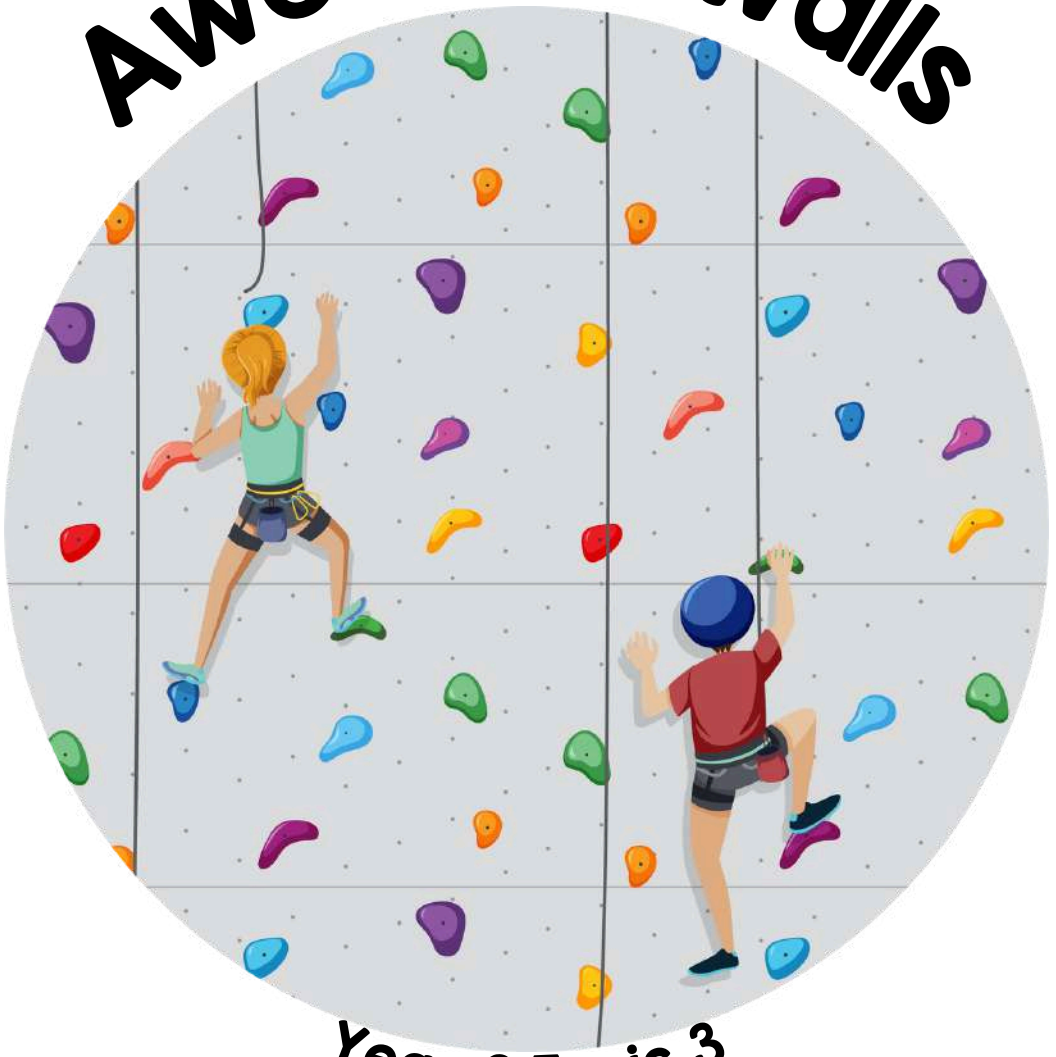

Two words... BIG DECISIONS! During this topic, Year 6 will have the opportunity to catch the train to London and take a look at the Crown Jewels! This will enable the children to gain a better understanding of a political processes and what crime and punishment looked like in the past!

Speaking of the past, from the Gunpowder Plot to Jack the Ripper – all will be discovered as they visit the London Dungeons!

Awesome Walls

Year 6 Topic 3

Take on a thrilling challenge at Awesome Walls Stone and channel the courage of Sophie from our Love of Reading text, Rooftoppers! Children will push themselves beyond their comfort zones as they climb, overcome challenges and discover what they are capable of. An exciting day designed to develop confidence, resilience and determination, while making connections with one of their favourite characters.

Thorpe Cloud

For this one-day visit, the children will be stepping into the shoes of heroes. Inspired by our recent reading, the year group will be taking on an immersive Percy Jackson team-building quest. This is no ordinary school trip; it is a race against time. The children will work in "cabins" to complete a series of challenges, navigating their way through a themed course to return the lightning bolt to Zeus at the top of Mount Olympus.

Year 6 Topic 4

Celebrate the end of an incredible primary school journey with a spectacular trip to the theatre in Manchester to see Back to the Future on stage! This exciting West End-style production promises music, laughter, adventure and unforgettable moments, giving our Year 6 children the perfect grand finale to their time at primary school. A special experience they will remember long after the final curtain falls!

£15 contribution

Year 6 Topic 4

Paris

One of the most exciting places for children is Disneyland and Paris is within our travels. The adventure starts early on Monday morning and doesn't end until Friday evening. The accommodation for the week is one of Disney's 4 star hotels—The Dream Castle, with bedrooms equipped with full en-suite facilities and enough room to sleep 4 or 5 children. The week long fun includes:

Sunday—travel to Dover for a ferry crossing to Calais on a luxury coach. Evening meal in the Hotel Restaurant before a quick play in the indoor adventure playpark in the centre atrium of the hotel.

Monday—full day out to Disneyland Walt Disney Studios followed by a scrumptious 2 course evening meal ath The Royal Pub in the Disney village! On route back to the hotel there is always time for a spot of shopping in the Disney Village.

Tuesday—This day is all about sightseeing - the wonderful city of Paris awaits! Opportunities to see and climb the steps of the Eiffel Tower and to cruise along the Seine are included in the afternoon. We walk along one of the most iconic streets in the world the Champs Elysse before heading back to the hotel!

Wednesday—full day out to the Disneyland Park followed by a chance to see the magical fireworks ,laser and water show.

Thursday - there's no better way to start the final day before travelling than a swim in the hotel's pool. After this, we head to the Rainforest Cafe for lunch before we head to Calais to catch a late afternoon EuroTunnel crossing back to the UK. We usually get back to school for about 11pm!

£350 contribution for this visit.
