Head Teacher's Welcome

February has begun and lets hope the spring feeling will soon be in the air!

The year has got off to a flying start; Reception children have been on a train ride, Year 5 have been on a city break to York and Year 2 have been discovering the wonderful world of farming, to name a few highlights! Let's not forget that our Nursery team have also welcomed 20 new faces to our school family who have all settled in wonderfully and are already enjoying school life!

Next week we will be focussing on Children's Mental Health and Wellbeing for the week; details are over the page.

Once again, this newsletter contains some key dates for your diaries so that you can be prepared for the important events happening in school.

This week I have had the pleasure of looking at lots of the children's writing - I hope you are all as proud as me with the progress they are making. Some of the written work in school is of excellent quality and the children are constantly striving to do even better, so a big 'Well Done' to each and every one of our Crescent writers!

As always, if there is anything I, or the rest of the team can do, to help and support you, please don't hesitate to let us know.

Miss Roberts
Year 6 Teacher

All staff here at The Crescent go above and beyond, but this month, Miss Roberts has taken so much in her stride and showed just how much she cares! We're lucky to have you Miss Roberts - thank you for putting the children at the heart of all you do!

This year's theme is 'You are a reader' and ensuring that everyone reads for pleasure. So, to make the most of feeling comfortable whilst reading, we are inviting children to dress in their 'comfiest clothing' – this could be their pyjamas, a favourite hoody, whatever your child likes to relax in!
