Head Teacher's Welcome

Welcome to your June Newsletter. You'll find this Newsletter has a bit of a theme; it's all about Sports!

From Sports Day information, to a new-look Sportsathon for 2023 - all the information you need is here!

There's also a couple of reminders of some exciting events coming up at school like the Summer Fair so please be sure to add these to your diary. There may only be 7 weeks left of this school year, but as usual we have filled them with fun!

The warmer weather has certainly made an appearance over the half term break. If the hot weather continues, please be sure to apply sun cream to your child before they come into school and send with sun caps and their water bottles if they are not left in school. We will ensure that children have plenty of shade throughout the day

This half term we have also launched our new lunch menu - a copy will be sent home to all families!

I hope to see you at some of the many events planned this month.

Adam Clewes

shout out

Mr Davies
Assistant Head Teacher

He has done a wonderful job with 5SD this year, but has also been making sure that there's lots ready for everyone to enjoy as this Newsletter shows - all things sporty! Mr Davies is a keen sportsman and can often be found on the Golf Course since hanging up his football boots, but he's put his own sports plans on hold to organise this year's beter-than-ever Sportsathon and is also leading on Sports Day! Thank you for bringing these events to life for children & families Mr Davies!

Please remember that for this year's event you'll need to bring along a picnic blanket/deck chair to sit on. We'll be organising the seating areas into colours to really bring the team spirit to life!

If you can, please wear the colour top for your family, so if your children are in Team Shelton (green) - please come along in something green yourself. We will be offerinng a photograph of your team (family!) on the day - these will be printed in full colour and will feature a special Crescent prop - these are just £1 so please bring this along with you on the day if you'd like a special photo.

Also for sale on the day will be some refreshing drinks and ice lollies so please remember some money if you'd like to purchase anything.

All children were provided with a SCHOOL PE KIT - it is expected that this is what they wear on the day - a little like playing for a football team, you wouldn't turn up to play in your own clothes, you'd be in your club colours!

All events start at 1.45pm - see you on the field!

Kits for After School Sports Clubs!

We want children to make the most of their time in after school clubs on Tuesdays and Thursdays. So, if they're attending a sports club on these days, they can come to school in their kit rather than uniform!
