The Crescent Academy Newsletter

#CrescentLearners | March 2023 | #TeamShelton

Head Teacher's Welcome

As we enter March, I am hoping some Spring-like weather may be around the corner, although if you believe the forecast, there's a high chance of snow!

I am sharing the March Newsletter with you a couple of days early - mainly as there's some key events happening this week from World Book Day to Big Big School events organised by Mrs Dayson and Mrs Alexander - a big thank you to them and I am hoping you can come along and join us for some or all!

You will have noticed I was away from school a little last half herm; I told you I would share further information with you about this. I was off training to be an Ofsted Inspector and I am pleased to let you know I passed. This may lead to me being away from school now and then, but you are in very capable hands when I am away with the other senior leaders should you need them.

Next week, our Year 6s set off on their Parisian adventure; taking in the iconic sights of Paris and having a fabulous time in Disneyland! Time to get packing Year 6!

As well as year 6 heading away, our Year 2s are off for their own adventure at Stanley Head next week - enjoy Year 2!

Please remember that from today the price of school meals has unavoidably increased after shielding these costs from you for the last 4 years. The new cost is £2.60 a day, or £13 a week.

As always, myself and the rest of the team at Crescent are on hand if you need anything!

Adam Clewes

Calling Parents/Carers in Years 3,4 and 5

See Mrs Dayson if you would like to sign up for Family Learning; March 14th 2023 from 1 to 3pm: 'Let's Play!'

These are always popular events to enjoy so please book quickly to avoid disappointment!

Mini Mental Health Champions!

Whilst we usually do a shout out to a member of staff, I thought it was important to shout about the amazing work of our Mini Mental Health Champions. Last term, during Children's Mental Health Week, they showed real courage to create some videos and activities for everyone to try which really prioritise mental health. Thank you for making sure we all got time to stop, think, reflect and look after our mental wellbeing - your work is so important to our school!

Term Dates Reminders

Easter Holidays
School closes:
Friday March 31st 2023
School reopens:
Monday April 17th 2023

May Bank Holidays
School is closed on:
Monday May 1st 2023
Monday May 8th 2023

May Half Term
School closes:
Friday May 26th 2023
School reopens:
Monday June 5th 2023

Summer Holidays
School closes:
Friday July 21st 2023
School reopens:
Monday September 4th 2023

Following the popularity of the Attendance Competition last half term, we will be repeating the competition this half term - there's only 5 weeks to attend those all important days to take part in the Movie Reward! Children LOVED choosing a film to watch and having their very own cinema experience!
