Kilimanjaro climbed and £228 raised! Well done to all who took part!

Head Teacher's Welcome

Welcome back to a new half term at The Crescent Academy! I hope your family's half-term plans were full of excitement and spooky adventure, with some time to relax and recharge together too.

Our Spooky Disco was a real highlight of last half term—a wonderful way to bring our Crescent community together, with fantastic costumes, plenty of dancing and smiles all round. Thank you to everyone who helped make it such a memorable occasion for our children.

This November newsletter takes us from the Halloween fun on page 1 to the Christmas magic on page 2! Be sure to have your diaries at the ready, as Christmas at The Crescent promises to be a cracker this year. I am already looking forward to sharing the excitement, celebrations and special moments that make this such a magical time in school.

Thank you, as always, for your continued support. Let the festive countdown begin! I hope we will see many of you at Parents' Evening next week - letters to book appointments come home tonight!

Mrs Barker

Nursery Teacher/PE Lead

Mrs Barker is known for putting lots of dates in my diary to keep our children active and healty! Over the half term break she was very persuasive in making sure that our Cross Country Team were able to attend a fixture to keep gathering those all important points to keep Crescent running through the league! Thank you for your time (and for always using black pen in my diary!) Mrs Barker!

Key Stage 2 Christmas Performance Update!

This year as you know, we are making a small change to the way we organise our Key Stage 2 Christmas performance.

Based on feedback and reactions from your children, rather than every child taking part, the performance will be produced by those children who have chosen to sign up to our Performing Arts Club.

From next week, any other children who want to be part of the ensemble will be able to sign up! We will be reminding children, but I would ask that you encourage them too, that from Friday there will be a 'sign up' sheet outside my office. They simply need to add their name and class to the list if they wish to take part!

Don't forget those pictures!

Family/sibling and inidividual pictures will be taken on December 2nd. If you would like your children to have their photograph together, please bring them to school from 8am until 9am. Individual photos of all children will be taken during the school day.
