Role of the Parent Council

Parent Councils have an important role to play in school improvement by ensuring that the parental perspective is represented and taken into account.

The aims of our Parent Council

- Create a welcoming school which is inclusive for all parents promoting partnership between the school, its pupils and all its parents
- Ensure the children at The Crescent Academy have the best possible experience at school.
- Develop and engage in activities which support the education and welfare of the pupils.
- Identify and represent the views of parents on matters affecting the education and welfare of the pupils

2024 Focal Points

The Key areas that the Parent Council will delve into will all centre around our 2024 School Development Plan.

This way we can work together to create a well rounded viewpoint on achieving the school's vision.
