Head Teacher's Welcome

Welcome to a brand new school year! I hope that the summer has been amazing and you have made lots of memories. I managed to fit in a spot of camping in early in the holidays (thankfully Mr Davies was there to help me put up my tent!!) and I have enjoyed some quality time with Livvy and Lenny. I have braved some toilet training with him too, so I feel your pain when getting this important task sorted!

Whether you are a brand new parent/carer here at The Crescent, or you are returning for another year of excitement and enrichment, welcome! As always, my team and I are on hand to make school the best experience possible - this Newsletter gives you some information about what to expect, some important dates and even looks back on your feedback in July in our Parent Questionnaire.

Don't forget that on Wednesday this week you can pop in and meet the staff who work in your child's class to say a quick 'hello'! Remember, school is always the best for your child when parents/carers work well alongside school staff.

Your child will also have their new PE kit with them today; I hope you love it as much as we do! Your child's PE days can be seen to the right hand side just here >>>

That's enough from me for now. As always, read through and pin your Newsletter somewhere safe! Don't forget to follow us on Social media (our names to search for to find us) are at the top of this Newsletter!

THANK YOU to everyone who completed a questionnaire. There main thing asked for was a swimming pool. I'm afraid we won't be able to do this as we simply don't have the space. But, I have got something new and sporty on the way AND I have spoken with the Head Teacher at Sandon and increased the amount of swimming we will be doing - starting next week!

Your comments about the staff and the opportunities your children have were simply fantastic. As you can see from the results, the HUGE majority of you are very happy with what we do here.

I will be holding an afternoon event to explain more about our systems and procedures for dealing with behaviour and any instances of bullying - watch out for this in the October Newsletter.

We will be asking the children their views during this term and will share these with you too.
