Toy Story– How have toys changed?

Key Vocabulary:

Toy	Old
New	Past
Present	Game
Play	Share
Player	Material
Object	Metal
Glass	Plastic
Wood	

This unit of work focuses upon the question 'How have toys changed?'

Children will be explore toys from the past and compare them to toys from the present. They will begin to understand how the materials that toys are made out of has changed and had an impact on the toys that we play with today. We will make our own toys similar to those that children played with in the past and investigate the history of the teddy bear.

Cross Curricular links:

English: Create a poster for a missing toy

Computing: Exploring algorithms in Lego Builders

History: Investigating how toys have changed over time and how the materials we use to make toys has changed.

Maths: Learning about the use of money to pay for things.
