Learning Planner

Year 5 Spring 2 2020

For the love of reading

The Nowhere Emporium

Children will explore the fascinating and out of this world rooms that the Nowhere Emporium has to offer. Focusing on the descriptions of the wonder rooms the emporium holds, children will be inspired to create their own thrilling wonder room for the customers of the emporium to visit.

Marvellous Mathematicians

Number; + - X ÷

Time—reading and interpreting timetables.

Problem solving—multistep problems which involve using the four operations

The Alpine Region

Educational Visit: Stanley Head

Key Vocabulary:

Altitude Bay Biome

Continent Country

Drought Earthquake

Global Positioning Systems

Man-made Mountain Range

Physical and Human Feature

In this unit, the children learn about the Alpine region of Europe, how the Alps were formed and how homes are adapted to the climate. They create a storyboard or digital book on mountain formation, design an Alpine home, and produce literature for visitors to the area using geographical vocabulary

Cross Curricular links:

English: Discussion texts on tourism in the Alps.

Computing: Creating a digital book with photos and captions on mountain formation.

Science: Learning about forces and friction in mountain formation.

MFL: French, German and Italian are spoken in the countries that we will be studying

Art and Design: Modelling the Alps in 3D, designing local and Alpine houses, modelling avalanche management, simulating an avalanche.
