Learning Planner

Reception Autumn 2 2020

For the love of reading

Our class book this half term is The Gruffalo. The rhyming story explains how a clever mouse tricks the hungry monster, "The Gruffalo". The children will retell the story through the use of a story map. They will begin to explore how the character's feelings are shown in the text and illustrations. Our Class Wizards will continue to introduce new vocabulary.

Marvellous Mathematicians

This half term we will be covering:

Number recognition
Practising counting skills
Number bonds
Comparing numbers
Exploring shapes
Time

Key Vocabulary:

tusks

claws

prickles

feast

stroll

fled

follow

taste

In this unit, the children will look at the book's setting of the woods, they will learn about the animals that live there, what their homes look like and similarities and differences between them.

Children will look at the changes in the environment to show that Autumn is changing into Winter.

We will be learning about the Hindu celebration of Diwali and busily preparing our Christmas performance.

Cross Curricular links:

PSE - Continuing to develop our sharing and turn taking skills. Working together in small groups to share ideas.

Physical – Developing our throwing and catching skills with a partner and in small games. Strengthening our finger muscles through our "Funky Fingers" sessions.

Communication– Beginning to share our ideas with a partner and in small groups.
