Your child will now be sent home with a set of spellings every Monday.

They will be tested on the following Monday. It is important that they practise their spellings at home with your support.

Our P.E lessons will take place every **Wednesday.** Your child should have their full P.E kit in school at all times and please remember to remove your child's earrings on PE days.

Year 1 and 2 Football Club will continue to take place on Monday afternoon 3:30-4:30 and children can be collected from 2K.

The Year Group Leader in Year 1 is Miss Booth .

Toy Story

Our class text this half term is; ***Dogger***

In English, we will be reading the text; Dogger and exploring the characters and events in the story. We will write diary entries and we will be focusing on spelling this half term.

In Maths, we will be learning about money, time, addition and subtraction, multiplication and division.

The Science topic this half term focuses on materials. We will be exploring different materials and carrying out investigations to test the different properties of different materials and their suitability for making household objects.

Toy Story - How have toys changed?

Our topic for this half term focuses upon the question 'How have toys changed?' We will be exploring the characters in the film 'Toy Story' and comparing them to toys from the past. We will make our own toys and investigate the history of the teddy bear.

Reading is an essential part of the learning journey at The Crescent Academy. Your child will be read with three times a week in school; either individually or as part of a group. It is therefore essential that your child has their reading book and diary in school **every day.**

Please support your child with their reading journey by reading at home with them at least 3 times a week. Please sign their diary to let us know that you have read together and how they did. Children love to read at home, and will enjoy sharing their learning with you. *Thank you for your continued support.*
