Spring 1 2020

Spring 1 2020

Welcome Back! I hope you all had a pleasant and relaxing half term break!

If there is anything that you would like to discuss, please do not hesitate to come and talk to us.

Kind regards, Miss Tunnicliffe, Mr Engleman and Mr Rushton

During this half term, your child may be sent home with homework in the form of SATS papers.

In between these times, your child should regularly log into Spellzone and Mathletics and work on their individual targets towards SATS.

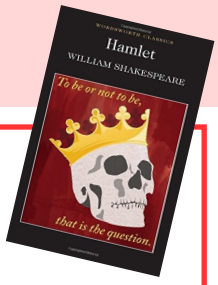

Our P.E lessons will take place every Monday and Friday. Your child should have their full P.E kit in school at all times and please remember to remove your child's earrings on PE days.

Maths Club

Maths club will begin again on Thursday 23rd January, 3:30-4:30. This club is open to all children and will be a huge benefit to the children in the run up to SATS. A letter will be sent out before this date.

The Year Group Leader in Year 6 is Miss Tunnicliffe.

The Lion King

Our class text this half term is Hamlet.

In English, we will be making links between The Lion King and Hamlet, composing pieces using the language of the time. We will also incorporate drama into our English work.

In Maths, we will be continuing with our arithmetic whilst learning new skills in statistics, units of measure, geometry and SATS revision.

What links can be made between Hamlet and The Lion King?

In this unit, based around Disney's The Lion King, we will be drawing comparisons between William Shakespeare's Hamlet and The Lion King. The children will be creating 3D masks based on characters from the Lion King using de-coupage art.

Reading is an essential part of the learning journey at The Crescent Academy. Your child will be read with four times a week in school; either individually or as part of a group. It is therefore essential that your child has their reading book and diary in school every day. We use the diary during the day and also during some reading sessions therefore it is important that your child brings it into school. Thank you for your support with this. Children love to read at home and practising the reading skills will enable your child to gain a greater understanding and therefore a greater enjoyment of more challenging books. Keep a look out in the class window or Class Dojo for the weekly reading skill, posted by your child's teacher. This is an example of how the skill could be written in their diary.

Thank you for your continued support.
