Spring 2 2020

Spring 2 2020

Welcome Back! I hope you all had a pleasant and relaxing half term break!

If there is anything that you would like to discuss, please do not hesitate to come and talk to us.

Kind regards, Miss Tunnicliffe, Mr Engleman and Mr Rushton

During this half term, your child may be sent home with homework in the form of SATS papers.

In between these times, your child should regularly log into Spellzone and Mathletics and work on their individual targets towards SATS.

Our P.E lessons will take place every Monday and Friday. Your child should have their full P.E kit in school at all times and please remember to remove your child's earrings on PE days.

Maths Club

Maths club will begin again on Thursday 27th February 3:30-4:30. This club is open to all children and will be a huge benefit to the children in the run up to SATS. A letter will be sent out before this date.

The Year Group Leader in Year 6 is Miss Tunnicliffe.

Our class text this half term is Trash! By Andy Mulligan

In English, we will be producing writing which is linked to key issues surrounding climate and environmental concerns.

In Maths, we will be continuing with our arithmetic whilst learning new skills in units of measure, time and general preparation for SATS.

Geography— Are we damaging our world?

In this unit, based around protecting our world, the children will identify key sites that are of an environmental concern. Places such as the Behala dumpsite in the Philippines, the Great Pacific garbage patch and the Coral Reefs. They will also be able to use maps and atlases to identify continents, countries, circles of latitude and countries that will be affected by future human choices. As always, the children will learn collaboratively, taking responsibility for their own learning.

Reading is essential to your child's development. As a school we expect children to read at least 3 times a week. However, as a year group, since September, we have been encouraging Year 6 children to read at least 5 times a week. The focus been fluency and the Hero Academy skills so that children can gain a greater understanding of what they are reading in order to further their love for reading.

WORLD BOOK DAY—THURSDAY 5TH MARCH– Superhero themed!

Don't forget to decorate an egg for our usual Easter competition.
Entries by 1st March!

SATs dates: Monday 11th May 2020—Thursday 14th May 2020
