Nursery Newsletter Spring 1 2021

Happy New Year—let's hope that 2021 is going to be an improvement on 2020!

The whole Nursery team are excited to welcome your child back into Nursery and continue on our learning journey.

As always, if you have any questions, please do not hesitate to speak to a member of staff at the end of the school day once the children have been seen out.

Miss Jenkinson

Uniform

Your children look extremely smart in their new uniform, which has led us to win 'Best Dressed Class' several times. Please continue to send them in the correct uniform, with smart black school shoes.

Homework

I have been so impressed by the homework produced by the children so far this year. The homework tasks will continue to reflect learning that has taken place that week in class.

Homework is set on a Friday.

We are really lucky in Nursery to have Mr Barton working with us four mornings a week: he will be keeping us active by holding daily sessions. Your child will NOT need PE kit for these sessions.

The Year Group Leader in Nursery is Miss Jenkinson.

the Wonderful World of Rhyme

This half term we will be exploring a range of nursery rhymes and books containing rhyme.

We are soaring through the RWI sounds and have now learnt m, a, s, t, i, d, n and p. This half term, we will be continuing to embed the sounds we have learnt and move on to learn the next set of sounds.

In Maths, we will be continuing to focus on learning to count to 10 and recognising these numbers. We will be using Ten Town number stories to ensure that when writing the numbers 1 to 10 they are formed correctly. In addition to this, we will be learning the names of 2D shapes and the properties of these, whilst exploring how we can create new shapes by combining two shapes.

Our topic is 'The Wonderful World of Rhyme' and therefore this half term will be focused all around all things rhyme. During this unit, we will continue to explore a range of nursery rhymes, discover what it means when two words rhyme and apply our phonic knowledge to recognise and discover words that rhyme. The children will be able to take a Rhythmical trip in our rhyme bus role play area or hunt around the home corner for things around the house that rhyme!

Reading books and letter sounds will continue to be sent home and we encourage you to take the time to read and practice both of these with your child. The children are making fantastic progress with their reading skills and phonics and this is also supporting their writing. Please sign the diary so that we know that you have read with your child.
