Nursery Newsletter Summer 1 2021

Welcome back after a refreshing two weeks off!

We're very excited to get stuck into our new topic 'Emergency!' as we know the children will really engage with the learning during this unit!

As always, if you have any questions, please do not hesitate to speak to a member of staff at the end of the school day once the children have been seen out.

TEN TOWN

We now have home access for Ten Town.
Visit: beta.tentown.co.uk
Your child's log in is their first name _CA2 and the password is abc123.

Read, Write, Inc

Children have been introduced to 'Red' words, which are words that cannot be 'sounded out'.

Each day, we 'red word rap', which is an engaging way to embed red word recognition by sight. This half term our red words will be:

I the to my you said your

PE sessions with Mr Barton will be back up and running this half term.

During these sessions, children will be developing their gross motor skills!

THE YEAR GROUP LEADER IN NURSERY IS MISS JENKINSON.

EMERGENCY!

This half term we will be exploring the story Emergency! and the professionals associated with the book.

Last half term saw the introduction of blending learnt sounds to make words. In Read, Write, Inc this half term, we will be further developing this skill, whilst learning more of the Set 1 sounds. We continuously revisit previously learnt sounds to ensure that these are deeply embedded.

The children have really engaged with learning numbers through Ten Town and enjoy listening to each individuals song, which helps to embed understanding of that number. The children have now learnt numbers to 10, their formation and which order they occur. Children will be embedding this knowledge this half term, whilst learning the 'cardinal principle', knowing to stop when the required total is reached.

In Literacy, children will be continuing to develop their letter formation, including practising writing their name each morning. As well as this, children will be developing their retrieval skills, answering questions about the story and continuing to develop their recognition and understanding of rhyme.

As our over-arching topic is 'Emergency', the children will be looking at the jobs of people who help us, developing their understanding of what an emergency is and who can help in an emergency situation. As well as this, there will be lots of opportunities for PSHE circle times, discussion feelings and emotions in different situations.

Reading books and letter sounds will continue to be sent home and we encourage you to take the time to read and practice both of these with your child. The children are making fantastic progress with their reading skills and phonics and this is also supporting their writing. Please sign the diary so that we know that you have read with your child. We continue to endeavour to read with your child daily in school to develop imagination, language and comprehension.
