Reception Newsletter Summer 2 2021

Welcome to Reception!

This half term is linked to the new topic of "How does your Garden Grow?".

We are going to be putting our gardening gloves on and getting stuck in helping our very own 'Mr Mcgregor' in his garden!

The children will visit the Library Boat every fortnight. Please share Library books at home as the children are always excited to show you what they have chosen.

P.E days are as follows-

RCG-Monday

RKR-Wednesday

RMT-Thursday

Please can children wear P.E to school on their P.E day.

The weather is getting warmer and we will be spending lots of time outside. It is important that children have sun cream applied before coming to school. We have caps in school but children are welcome to bring in their own cap/hat.

Please label all of your child's belongings.

The Year Group Leader in Reception is Mrs Coleman

The Tiny Seed

Our class text this half term is 'The Tiny Seed'

Written by Eric Carle

In English this half term we are reading the story of "The Tiny Seed". Through exploring the dazzlingly colourful text, we are going to be looking closely at the adventures of a tiny seed. We are going to be discovering parts of a sunflower, growing and labelling our own plants and vegetables in our sensory garden.

In maths, we will be practising linking quantities with the correct numeral and solving real life problems using objects for counting. We will be making comparisons of objects in size…. Who will grow the tallest sunflower?

The children will be using all their senses in hands-on exploration of natural materials and learning how to take care of their tiny seed so that it grows into a beautiful big sunflower!

Reading is an essential part of the learning journey at The Crescent Academy. Your child will read everyday with an adult. It is essential that your child has their reading book and diary in school every day. We use the diary to communicate with you about your child's reading progress and we would appreciate it if you could leave a comment in the diary to let us know that you have read with your child. Children love to read at home, and will enjoy sharing their learning with you. In memory of the wonderful author, Eric Carle, we invite you to read as many of his incredible stories as you can!

Thank you for your continued support.
