

Nursery Newsletter Autumn 2 2024

Welcome Back!

"I'm Stick man…. That's me!"

Poor Stick man needs our help…… Where is the family tree? How will he get back home? Who will he meet along the way? Why is it snowing? When will Father Christmas arrive?

Nursery PE sessions will be <u>EVERY WEDNESDAY</u>

Please ensure your child comes in to school wearing their full PE kit on this day only.

We also visit the library boat every Thursday so please ensure your child's library book is brought in on this day.

Thank you to everyone who has now activated their Tapestry account! We have loved seeing so many of you already sending in amazing photos and videos capturing your child's learning at home!

If you have any questions regarding Tapestry then please speak to Mrs Coleman who will be happy to help.

Please can all children have a pair of wellies to keep in school in a labelled bag to support with our outdoor learning. Thank you.

The Year Group Leader in Nursery is Mrs Coleman

Winter Wonderland

Our class text is 'Stick Man' by Julia Donaldson, we will be focusing on using our super listening skills to spot lots of rhyming words this half term. Look out for our new nursery rhyme focus to practise at home! (in your child's reading diary) We are continuing to develop our speaking and listening skills through our daily phonics sessions. We can't wait to join in with World Nursery Rhyme Week! (13th November)

In Maths, we will be looking at shape and pattern, making our own repeating patterns and spotting the odd one out! We will be counting and reciting numbers to 5 and will focus on using a '5 frame' to help us to count out objects. We will focus on positional language (such as; 'next to', 'in front of', 'behind', 'on') and begin to compare length of objects.

Through our topic we are excited to learn all about 'Winter and Celebrations'…. In the 'Countdown to Christmas' we will be exploring why it is a special time of year for Christians and how it is celebrated. We can't wait to discover lots about winter… What clothes do we wear? Why does the snow melt? What happens to the trees and plants in winter? We have so many questions!

Reading is an essential part of the learning journey at The Crescent Academy. Your child will read/share a story every day with an adult in Nursery. <u>It is essential that your child has their reading book and diary in school every day</u>. We use the diary to communicate with you about your child's reading progress.

We would appreciate it if you could leave a comment/ sign in the diary to let us know that you have read <u>at least 3 times each week</u> with your child so that we are able to award children in school for their efforts during our Friday celebrations.

Thank you for your continued support.
