Year 4 Newsletter
Autumn 2 2024

Autumn 2 2024

Welcome back! We hope you had a lovely extended October half term! I hope you are all ready for another half-term of fun learning in the run up to Christmas!

If there is anything that you would like to discuss, please do not hesitate to come and talk to us.

Kind regards: Mr Engleman, Mrs Steele and Mr Finney and the Year 4 team.

Your child will receive a piece of homework every week. This will be in their homework folder. Alongside this, it is important that your child practises their weekly spellings, times tables and reads **at least 3 times** a week at home but we encourage them to **STRIVE FOR FIVE.**

Our **P.E lessons** will take place on a **Monday and friday afternoon.** Your child should come to school in their full PE kit on these days.

Swimming: **4NE** - 8th/15th Nov

4LS: 22nd Nov—24th Jan

Educational Visit:

Liverpool Museum:

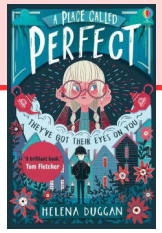

4JF & 1/2 of 4NE: 27th November

4LS & 1/2 of 4NE: 28th November

Question?

If you have any questions then please speak to your child's class teacher or Mr Engleman (LKS2 Phase Leader)

Why does the tea make them blind and what's with the glasses?

Our class text for the next 10 weeks (starting on 18th Nov):

Place Called Perfect

We still have 3 weeks left of focusing on Harry Potter and our English lessons continue to be based around this wonderful book! After that, we move on to the amazing story 'Place Called Perfect'. We will be doing lots of writing around the themes explored in the book. Hopefully, we'll understand why the tea and glasses are so important!

In Maths, we will mainly continue to embed our learning around place value, addition and subtraction and then also continuing our BIG focus on times tables, multiplication and division. These are all key concepts of Maths that are so, so important for current and future learning.

Why are the early civilisations important to us?

Civilisation as we know it started somewhere and it developed from somewhere. In this unit, we explore how we are connected to the world through the earliest civilisations with a focus on the Ancient Egyptians, the Indus Valley people and the Maya.

We will also be full on with Design and Technology, Computing, RE and PSHE this half-term, alongside preparing thoroughly for our wonderful Christmas Performance!!

LKS2 Christmas performance @ Crescent

9:30am, 2pm & 6pm performances

Tuesday 10th December 2024

Class Sharing Assemblies

Come and join us on the following dates to see what we have been learning about for the previous 9 or so weeks:

4NE: 7th November @ 2:30pm

4LS: 14th November @ 2:30pm

4JF: 18th November @ 2:30pm

Science:

Our Science unit this half term focusses on studying teeth and eating in animals and humans. Alongside this, we will be exploring the digestive system. As ever, we have lots of hands-on and exciting experiments planned!

How do teeth start the journey of digestion?
