Geography-

Following our visit from Annie the Adventurer we are exploring landmarks around the united Kingdom, focusing on the capital cities.
We will also be comparing our city to Cairo– how does it look different? Are the climates similar? Do they use the same currency? Speak the same language?

In PE we will be practising our gymnastic skills & learning new games.

Reading books & book bags

We are noticing more children arrive at school each day without their reading book or diary. We read at school daily– this might be one to one, in a group or independently and so it is important that your child has their book and diary with them.

We also have a weekly competition to see which class has read the most at home. Since September the same class has won each week. We want this to be shared
