Enriching the lives of our children

Academy of Stars LKS2

Newsletter Summer 1 2026

Welcome to the Summer term! We hope you had a lovely Easter break and are feeling refreshed and ready for the warmer, sunnier days ahead. It's hard to believe we are almost approaching the final term of the academic year. We are incredibly proud of the progress the children continue to make—both in their learning and in their confidence—and we look forward to another exciting and productive term together!

Miss Hobson

If you ever have any queries, please speak to your class teacher or Miss Hobson (Academy of Stars Phase leader).

and Cake sale

20th April – Summer clubs
begin

1st & 4th May – School closed
22nd MAY – School closed

Half term – Friday 22nd
May, return to school
Tuesday 2nd June

Our Love of Reading text:

We will continue reading 'Curious George goes to the Chocolate Factory' as our class text for the next few weeks, before moving on to

The Smartest Giant in Town by Julia Donaldson.

This delightful story follows George, a kind-hearted giant who decides to smarten up his appearance with a brand-new outfit. However, along his journey, he meets various animals in need and generously gives away his clothes to help them. With its catchy rhymes, memorable characters, and heartwarming message about kindness and generosity, this story is sure to capture our imagination!

Do we like to be beside the seaside?

This term, our topic is Do we like to be beside the seaside? The children will learn about what a coast is and where you can find one. We will talk about why we do not live near the sea and look at seaside places such as Llandudno.

We will explore the different things people can do at the seaside and use simple maps to help us. The children will also learn how the sea can change the land, making features like caves and arches.

Towards the end of the topic, we will think about how coasts might change in the future and what this means for people.

Tapestry & Summer clubs

A quick reminder that you can view your child's learning each week on Tapestry. If you have any difficulty accessing this, please do let us know and we will be happy to help. We are also pleased to share that the Academy of Stars is offering a 'Stay and Play' club on Wednesdays from 3:00–4:00pm this term. If you would like your child to attend, please sign up via the Hive as soon as possible, as spaces are limited.
