Our class text is "The Colour Monster Goes to School"

Written by Anna Llenas

Just like in our story, 'The Colour Monster Goes to School' we will be supporting all of our children to settle into school life. We will be focusing on building friendships, school routines and different ways to express ourselves and our emotions.

In Literacy, we will be sharing lots of stories and rhymes. Our focus nursery rhymes this half term are 'Twinkle, Twinkle, Little Star' and 'Incy Wincy Spider'. We will be using actions and movement along with our rhyme maps. We will be practising our pre-writing skills with messy mark making.

In Maths, our focus will be on counting and working with numbers to 5 through many playful and practical activities. In school we use 'Ten Town' which brings numbers to life in a fun and engaging way!

Reading is an essential part of the learning journey at 'The Crescent Academy'. Your child will read regularly with an adult either individually or through group reads or whole class stories. It is essential that your child has their reading book and diary in school every day once they are allocated.
We use the diary to communicate with you about your child's reading progress. We would appreciate it if you could leave a comment/ sign in the diary to let us know that you have read at least 3 times each week with your child so that we are able to award children in school for their efforts. We are sure the children will enjoy sharing their learning with you. Thank you for your support! *Thank you for your support!*
