Reception Newsletter Autumn 2

Welcome to Autumn 2 in Reception! We can't wait to begin our new topic 'The Gruffalo and Friends!'

" A mouse took a stroll through the deep dark wood....." We wonder who he will meet?

LEARNING JOURNEY

In our topic work the children will be discovering animal habitats and the season of Winter. We will be learning all about the Christmas story and will be busy preparing for our Christmas performance: "Nursery Rhyme Nativity". Don't forget to sign up to Tapestry, (if you haven't done so already) to receive your child's observations from school. Please send any learning from home to us via Tapestry too!

LOVE OF READING

The Gruffalo!

In Literacy this half term we are reading the story of "The Gruffalo". By looking at the story we will be discovering what animals live in the wood and the similarities and differences between them. We will be retelling the story by using pictures and actions on a "Story Map".
