Nursery Newsletter Autumn 2

"I'm Stick man... That's me!"

Poor Stick man needs our help..... Where is the family tree? How will he get back home? Who will he meet along the way? Why is it snowing? When will Father Christmas arrive?

LEARNING JOURNEY

Through our Winter Wonderland topic, we will explore lots of exciting questions! We'll investigate what happens to water on a cold day, discover how we can stop our snowman from melting, and explore winter weather, suitable clothing and how winter differs from summer. We'll also begin practising for our very first Christmas Carol Concert, which we can't wait to share with you!

LOVE OF READING

Our class text this half term is Stick Man by Julia Donaldson. We will be exploring the story together, developing the children's understanding, communication and language skills through discussion, storytelling and sharing our ideas. Look out for our new nursery rhyme focus in your child's reading diary, so you can enjoy practising our rhymes together at home! We will also continue to strengthen the children's speaking and listening skills through our daily Phase 1 phonics sessions, exploring sounds, rhythm, rhyme and listening carefully to the world around us. We are also very excited to celebrate World Nursery Rhyme Week, beginning 9th November, when we will enjoy singing, learning and joining in with some of our favourite nursery rhymes!

Reminders

- **Look out for a Ten Town 'home access' login...coming soon!**
- **Parent's Evening is on the 11th November; please make an appointment.**
- **Nursery Christmas performance - 16th December**
- **Read at least 3 times a week; strive for 5 and please comment in reading diaries.**
- **PE lessons: Friday**
