Maths – We're counting up to 10 and recognizing shapes!

- Practise writing the numbers 0 – 10.
- Explore the + sign. Make two towers of Lego bricks and add them together using the magic + sign.
- Listen to the Ten Town songs on YouTube https://youtu.be/AgYG_Tv9VSE
- Go on a shape hunt around your house. Can you find any triangles? Squares? Circles? Or even any ovals (like Humpty Dumpty)

Science – Lots of 'eggs'periments

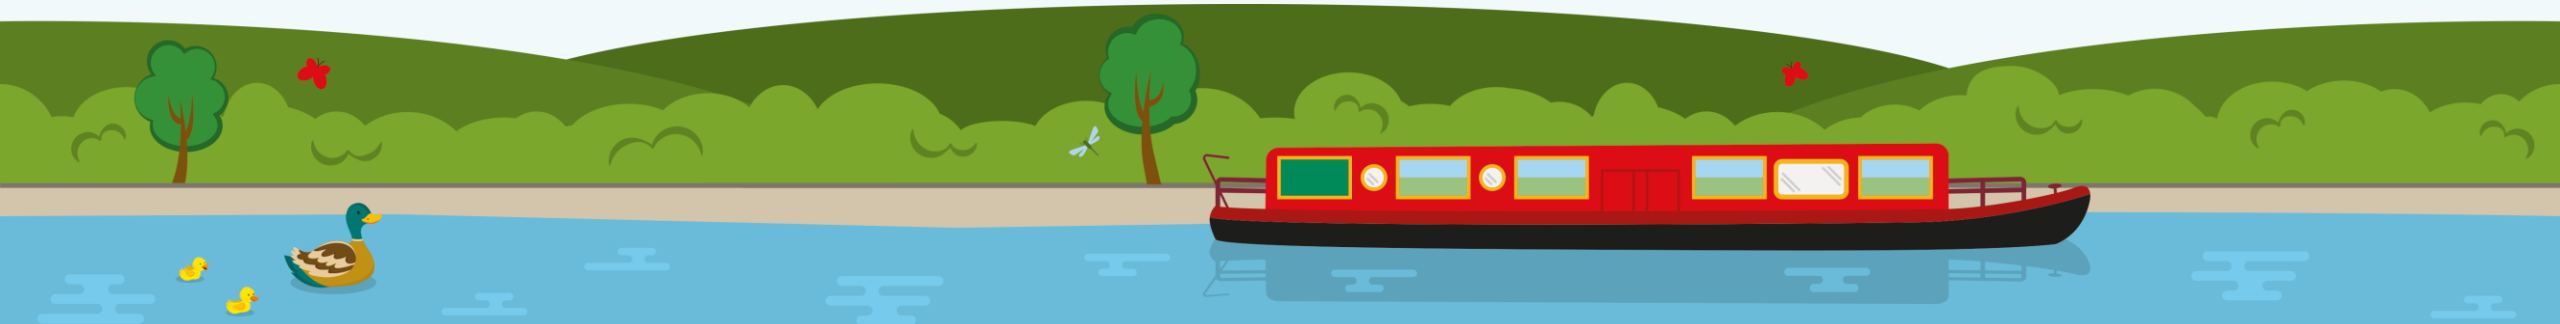

- With the help of a grown up, place an egg into a tub of water. Does it float or sink?
- With the help of a grown up, hard boil an egg. What does it feel like with the shell on?
- Magic trick – make the egg shell disappear. Place a hard boiled egg in a glass of vinegar. Leave for the day and have a look at what has happened to the shell.
