Welcome back! We hope you had relaxing Easter break. If there is anything that you would like to discuss, please do not hesitate to come and talk to us.

Kind regards, Miss Wilkinson, Mrs Oakes and Miss Hobson

Your child will receive a piece of Maths and English homework every week. This will be in their homework folder and will be handed out every **Wednesday**, due back in on a **Monday**.

Alongside this, it is important that your child practises their weekly spellings, times tables and reads at least 3 times a week at home, but we encourage them to

STRIVE FOR FIVE.

SATs are almost here so our attention this half term understandably turns to preparing our children to sit them in May.

The children will complete these assessments on 9th—12th May 2023.

Tuesday 9th May — Grammar, Punctuation, Spelling

Wednesday 10th May—English Reading paper

Thursday 11th May — Maths Arithmetic Paper 1 & Reasoning Paper 2

Friday 12th May — Maths Reasoning Paper 3

FREE breakfast will be provided for each of the 4 days in the Large Hall at 8:30am.

As this half term is the run up to SATs, therefore, children will be immersed in more core subject learning to fully prepare them for their assessments. This will be kept exciting and fun and where possible linked to our extra curricular topics: The Ancient Greeks and Light—'How Do We See?'

In preparation for our final topic 'What is the Amazon like?' Year will be visiting Chester Zoo to immerse ourselves into the rainforest experience on the below dates:

6SW—Tuesday 23rd May

6LO—Wednesday 24th May

6BH—Thursday 25th May

Your continued support...

From the whole year 6 team, we would like to thank you for your continued support at home with your child's learning journey at home. As we approach the final push with our preparation for SATs, any extra work and revision you can do at home will help immensely. Below are a few QR codes you can scan which will direct you to websites to aid this. Again, thank you for your help.
