Year 4 Newsletter
Spring 2 2025

Clubs start first week back (WC 24.2.25)

Spring 2 2025

Welcome to Spring 2! Welcome back. We hope you have had a lovely time with your friends and family recharging your batteries!

As ever, if you have any questions then please speak to a member of the Year 4 team.

World Book Day: 6th March

Spring Discos: 26th March

Your child will receive a piece of homework every week and additionally a half termly opportunities activity check list. Alongside this, it is important that your child practises their weekly spellings, times tables and reads **at least 3 times** a week at home but we encourage them to **STRIVE FOR FIVE.**

Our **P.E lessons** will take place on a **Monday and friday afternoon.** Your child should come to school in their full PE kit on these days. Please remember to remove your child's earrings for these lessons.

Educational Visit:

Chester Dewa:

4NE– 3rd March

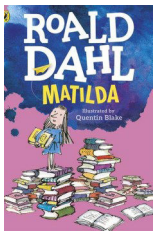

4JF—4th March

4LS— 5th March

If you ever have any queries then please speak to your child's class teacher or Mr Engleman (Lower Key Stage 2 Phase leader).

Our class text this half term:

Matilda

Our class text this half term is Matilda, where we meet and learn about the inimitable Miss Trunchbull in all of her child-hating, evil glory! We will be exploring the book in English, using the great characters to create descriptions, playscripts and eventually create our own short story. We will be recreating the famous Bruce Bogtrotter chocolate cake scene on World Book Day! Keep a look out!

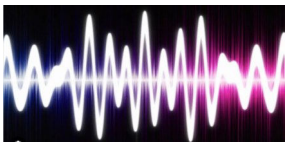

In Maths, we will mainly be embedding our learning around fractions and calculations with lots of word and reasoning problems. This is something that we have started but there is plenty more to know! We will also be **focussing on the upcoming Times Table Test.** **Keep logging in to TT Rock Stars and Timestable.co.uk to continue practising!**

Did a Roman live where I live now?

As per our Learning Planner, we will be exploring Roman Britain in History. This includes our trip to Chester Dewa for a Roman experience and we will also be holding our own Roman court room to decide on punishments for certain crimes. For more information about our History unit, please see the Learning Planner sent out.

Science: What's that sound?

The children will investigate parts of the ear and how we hear. The children will understand what volume, vibrations and pitch are and how distance changes sound. Here are some of the questions we will try to answer:

Would an explosion in London be heard in Meir? Do more vibrations, make more sound? How can the pitch

Reading is an essential part of the learning journey at The Crescent Academy. Your child will be read with at least three times a week in school, either individually or as part of a group . It is therefore essential that your child has their reading book and diary in school every day. The children use the learning diary, alongside the Hero Academy, to practise the key skills of reading and to record this. At the start of each week, or fortnight, we will explain the reading skill to your child.

Thank you for your continued support.

COMPETITIVE CURRICULUM:

There are 9 more weeks of competition before we find out the next winner!! Can anyone beat the Greens?

Competitions coming up!

Music Science

D & T Geography
