The Crescent Academy

Enriching the lives of our children

Year 4 Newsletter Summer 2 2025

Year 3/4 Sports days:

TUESDAY 8TH July @ 9:30am

TRANSITION DAYS:

FRIDAY 11th & MONDAY 14th JULY

Summer fair:

Summer 2 2025

Welcome to Summer 2! After a well-deserved break we are back ready for an 8-week half term to finish the year. We hope you have had a lovely May half-term.

As ever, if you have any questions then please speak to a member of the Year 4 team.

Kind regards: Mr Engleman, Mrs Steele & Mr Finney

Your child will receive a piece of homework every week and additionally a half termly opportunities activity check list. Alongside this, it is important that your child practises their weekly spellings, times tables and reads **at least 3 times** a week at home but we encourage them to **STRIVE FOR FIVE.**

Our **P.E lessons** will take place on a **Monday and friday afternoon.** Your child should come to school in their full PE kit on these days. Please remember to remove your child's earrings for these lessons.

Educational Visit:

London:

4JF– 11th/12th June

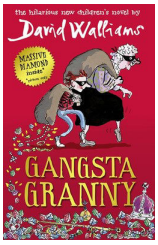

4LS– 17th/18th June

4NE– 23rd/24th July

If you ever have any queries then please speak to your child's class teacher or Mr Engleman (Lower Key Stage 2 Phase leader).

Our class text this half term will be:

'Gangsta Granny'

"We're going to steal the Crown Jewels!'

This half term, we will be continuing with our current class text, the amazing Gangsta Granny! This hilarious, bestselling text will give us lots to read and write about in our English lessons and we will be exploring some of the locations ready for our own trip to London! We will be writing a short story based on the book this half term, but our main focus is on bringing together all of our learning in writing to create our own stories. We will be creating the characters, locations and plot!

Keep logging in to TT Rock Stars and Timestable.co.uk to continue practising!

In Maths, we will mainly be embedding our learning around calculation ready for Y5. **We also have the times tables check this half term—week commencing 9th June.** We will then, towards the end of the half term, finish our learning by exploring shape, angles and co-ordinates.

Science: What is electricity? Do you possess the skills to be an electrician?

This is a topic the children love! They will learn how to efficiently use different electrical components to create a range of circuits. We will then move on to conductors and how to make a workable switch.

DT, Geography and more!

In DT, We will be spending time researching, designing and creating our own products using our knowledge of circuits linked to our current Science topic. In Geography, we will continue to learn all about river systems and this half term we will be visiting our local river to complete a geographical study.

Educational Visit:

Milldale:

4JF & 1/2 4LS– 5th June

4NE & 1/2 4LS– 11th June

Mrs Steele will let 4LS know which child is going which day, thankyou.

COMPETITIVE CURRICULUM:

Watch out for some exciting and new competitions from Mr Clewes, Mr P Davies and Mr S Davies!!

SPELLING BEE PART 6 & GRAND FINAL– wc 14.7.25
